RE: IRB Action on Proposed Project

This memo is to inform you of the IRB action with regard to your proposal:

Title: Taylor Swift's Eras Tour: Exploring Design Inspiration Within Online Spheres of
Celebrity and Fandom

This proposal was given: Expedited Review: _____
Full Committee Review: _____
Exempt: X

The result was: Full Approval: X
Denied Approval: _____

If anything other than Full Approval is recommended, it is your responsibility, as investigator, to submit changes/corrections or plans to accommodate conditions listed below to the Institutional Review Board prior to initiating the project. This approval is valid for one year from the date above, if data is to be collected after that time frame, the PI must submit a Continuation of Research Form.

Failure to acquire full approval by IRB before implementation for any project which involves humans means that the PI is not acting in "good faith" with university policy and is not, therefore, guaranteed the protection of the university.
